Transient

A Story of Assyrian Refugees

Since the start of the Iraq war in 2003, over 4,700,000 Iraqis have been displaced from their homes due to violence and economic instability. These individuals have endured numerous struggles including poor living conditions and limited access to health care which have affected their livelihoods. This film tells the story of Assyrian Iraqi refugees in Syria.

September 12, 2009

7 pm screening and Q&A with filmmaker Dr. Anobel Odisho
8 pm cocktail hour
